

How does LETS support your community?

- Connects people and keeps exchange local
- Communication between different levels of society
- Getting to know your neighbours
- Assists people in need. Great for those on a tight budget
- Uses local scout hall for Trade Event and exchange cleaning the hall instead of paying a fee
- Building Networks and empowering people to initiate projects
- Sharing resources
- Representatives at local markets and festivals
- I can offer my services to people who could not otherwise afford them
- Shares information about activities in the community
- Because of the focus on sharing, it widens circles of trust
- Community Chest/Fund : supports people in need
- Intergenerational skill support
- Encourages fresh produce and healthy eating
- By bringing people together
- Aligning with other groups to save resources
- Breaks down age/socio-economic barriers
